A LITTLE ABOUT ME

This year will be my 18th year of teaching right here at ESSES. I have two daughters that I am super proud. Both of them graduated from Smiths Station and most recently from Auburn University. I also have an amazing partner, Juan. We have spent the whole summer together south of the border in Mexico! I am hopeful that our days together in 6th grade will feel like a fiesta!!!

*See you soon,
Ms. Galarza*
