

# Folklore, Mythology, and Legends

Ms. Ramey and Mr. Robison

## Description

This is a new elective offered at SSJH, and we are excited to be building an interesting and enjoyable course to introduce students to the “fun” parts of history and literature that sometimes get overlooked in the rigor of covering standards.

All materials for this course will be PROVIDED to the students at no cost to the parent/guardian.

## Materials Provided

- ☐ 3-hole pocket folder
- ☐ Notebook paper
- ☐ Any handouts or readings
- ☐ Colored pencils or markers
- ☐ Highlighters

## Grading

Grading will be points based (just like your World History Class). Larger, more time-consuming assignments will be worth more points.

## PRIDE

Discipline procedures and PRIDE expectations will carry over from your World History class.
