

2023-2024 Rising 10th Grade Course Selection Worksheet

This worksheet is a tool to help you decide which courses you would like to request for the 23-24 school year. See the Course Selection Guide for more information about each of the classes. Pay attention to required and recommended prerequisites for classes. Discuss options with your parent/guardian and teachers.

You will input your requests into PowerSchool during the week of February 27th

English Options - Select ONE	
	English 10
	English 10, Honors Recommended Prerequisites : C or above average in Honors English 9 or A average in English 9

Math Options - Select ONE or see notes	
	Algebra I w/ Probability
	Algebra II w/ Statistics Required Prerequisite: completion of Grade 7 AND Grade 8 Accelerated Math Students who wish to take this class as a 10th grader to accelerate their math classes can request this as a 2nd math class for their 10th grade year. You would take Algebra I 1st semester and Algebra II 2nd semester. If selecting this option, you will still have to take a math class senior year, even though you would have the required number of math credits
