

BEULAH ELEMENTARY SCHOOL PTO NEWSLETTER

Meet Our School Administrators

The Beulah Elementary PTO would like to welcome everyone back to school. We are looking forward to a great school year filled with fantastic events and most importantly supporting our kids and teachers. We are very fortunate to have two great administrators that help us do this.

Mr. Caffey and Mrs. Lee are dedicated to help our students to achieve success. They understand that school is a partnership where students, families, and staff work together for one common goal, to help our students succeed. This year will be busy, exciting, and hopefully very rewarding for each student.

Join~Donate~Volunteer

- By simply joining the PTO you are advocating on behalf of ALL children (including your own!) No additional commitment is required. The cost to join is \$5 per individual or \$8 per family.
- If you can DONATE, any amount you can give helps our school. Every dollar we raise goes to programs and services for our KIDS!
- There is a lot we can do together! Please consider volunteering, even one hour of time can help make an event great.
- Complete the attached paper and return to your child's teacher to join.

Teacher Spotlight: Ms. Beard

We would like to welcome Ms. Beard to Beulah Elementary. She is teaching fourth grade this year. Ms. Beard graduated in her hometown of Tuscaloosa from the University of Alabama in 2013. Ms. Beard has been teaching for nine years. Most of those nine years have been in fourth grade. Her favorite thing about being a teacher is building individual relationships with her students. She knows that all children have different needs and knowing them on a one-on-one basis really elevates her capabilities of meeting those needs! When she is not teaching she enjoys spending time with her son, Cayden, and rooting on the Crimson Tide! She also loves to be outdoors hiking, paddle boarding, and simply going for boat rides on Lake Martin. We are very fortunate to have her with us at Beulah Elementary. Her energy and enthusiasm make learning so fun and engaging.
