

Fingering Chart – French horn

Fingerings that appear in parenthesis are for the Bb horn and would automatically have the Bb or thumb key depressed.

Horn Fingerings

The chart displays seven rows of musical notation, each with a corresponding set of fingerings below it. The notation includes treble and bass clefs, and various accidentals (sharps, flats, naturals). Fingerings are indicated by numbers 0, 1, 2, 3, and combinations like 12, 23, 13, and parentheses around them.
