

Mrs. Marlowe's Cell Phone Parking Lot

- In our classroom we have a cell phone parking lot where students will “park” their phones according to the “parking space” that they are issued.
- If a student chooses not to park their phone during the class period and it plays a sound, falls out of their pocket, or I see it, the phone will be sent to the administration.
- This is a great tool that will allow our classroom learning to be uninterrupted interaction and most beneficial for all of us.
