To access the bus WiFi use (Case Sensitive)

Username: Busshop

Password: Bus12345

Remember, students can access the WiFi at all Lee County School buildings from the front parking lots by connecting to the "Tablets" network on their school device.

If using a personal device, they will need to access the "LeeCo" network using 3343347058667 as the password and then sign into the iBoss filter using their windows username and password.
