

**Ms. Blanton's  
Class  
Week 37**

**Math**

In Math, we will be learning about measurements using standard units (M. ES 3.5). We will build our vocabulary skills related to length of items (M. ES K.5)

**Art/Cooking**

Week 37: Art Activity:  
Letter Ss Crafts  
(ELA.AAS.K.20d).

**Upcoming Field  
Trips.**

**Reading/ELA**

In Reading, we will identify one similarity and one difference of two characters from a story (R. ES 3.3).

In Writing, identify a how-to topic of interest (W. ES 1.2)

**Social Studies/ Science**

In Social Studies, we'll learn about the difference between "needs" and "wants." (SS.AAS.K.4). And learn to sweep, vacuum, dust, and wash dishes ☺

In Science, we will learn about basic needs of living things: air, water, sun, food. (SCI.ES K.3).

**Important  
Reminders**

**Remember to  
review your  
Laminated  
homework sheets  
nightly.**
